**Price Gouging Experience:**

We took our son to the [REDACTED] [REDACTED], but the clerk there said they now have a [REDACTED] [REDACTED], which was across from the main ER. He only had [REDACTED] [REDACTED] and the bill came out to be \$3569.00 for a simple visit. Nothing was done except for the x-ray and there is also a separate charge from the attending physician for another \$675. We did have insurance, which covered \$2,346 leaving us with a remaining balance of \$1,223.00 plus the \$675. This is outrageous for a simple visit.
