Price Gouging Experience:

Unfortunately my son dislocated his shoulder twice this year during sporting events. He was [REDACTED]. The first incident occurred on [REDACTED] [REDACTED] 2015 and the second on [REDACTED] [REDACTED] 2015. [REDACTED]. There are no options/choices of providers when it comes to this type of injury. These injuries will only be taken care of in an emergency room. On both occasions I took my son to the ER at [REDACTED]. The first bill [REDACTED] 15 from [REDACTED] (hospital only) was \$6,375.62, the second bill [REDACTED] 15 from [REDACTED] (hospital only) was \$5,419.79. Please note that these bills did not reflect the doctors' fees that were \$3,125 and \$3,165 respectively. I am still in shock. I have written to the CEO of [REDACTED] asking for an explanation on [REDACTED] 15 via certified mail. To date, neither [REDACTED] nor any members of his administration or executive staff has graced me with a reply.
