Price Gouging Experience:

I received 3 stitches in my foot. I was billed 430\$ for the dr to come in and say yes you need stitches and then another 553\$ for her to actually put them in. The hospital says this isn't the full bill for that visit- this bill was just for The Drs time, we are going to be getting another bill in the mail from the hospital. We were at the hospital literally 20 minutes. When it's all said and done the bill for 3 stitches is going to be over 1000\$. We have insurance but since we haven't met our deductible we are responsible for the full amount billed. Outrageous!!
