**Price Gouging Experience:**

Went to [REDACTED] to have my arm checked out all they did was check my blood pressure and the Dr. looked at my hand for maybe 10 seconds and told me to go see a specialist. billed my insurance for \$1593.00 which my ins. paid \$1108.00 and they billed me for \$338.31 which is crazy because they did absolutely nothing. My ins. company told me to complain to them and the person who answered at [REDACTED] told me I should have gone to an MD Now if I wanted to pay a reasonable price.
