Price Gouging Experience:

There was this time that Hospital Corproation of America gouged the federal government by making fraudulent Medicare claims. During Governor Rick Scott's tenure as CEO of Columbia/HCA the hospital company was fined \$1.7 billion for Medicare fraud. And it cost the taxpayers much more than that, but the Governor got a golden parachute worth millions and a jet. But Governor Scott knows all about it. And that is the worst case of price gouging you will here in this PR campaign.
