Price Gouging Experience:

I have a comment about the hospitals and the problems my parents had in [REDACTED]. In [REDACTED] I had to take over the family finances for my parents and become responsible for all their healthcare needs. They have since passed away. [REDACTED] owned all the hospitals in this area and before my parents were forced onto [REDACTED], we met with resistance whenever I took them to [REDACTED]. [REDACTED] was a little better, but Dad and Mom had already accepted [REDACTED]. Anyway my question is "Should the major health insurance company also own all the area hospitals?" Just thought I should bring this to your attention. After my Father passed I moved my Mother to [REDACTED] to get her and my brother away from the monopoly of [REDACTED] and to this day I hold [REDACTED] responsible for their deaths. [REDACTED]
