Price Gouging Experience:

My wife rushed me to the hospital [REDACTED] (FL) [REDACTED] following a rib injury and we were told if we come up with a certain amount of money after our insurance by a certain date to pay the hospital balance we wouldn't have any more fees. So accepted the agreement and since then we've been billed over 20x bills equalling over thousands of dollars. We've made several calls and we aren't getting anywhere with this. We don't have thousands of dollars after we were told something different and also they are putting me in the collections. Pleaseee help!!
