I took my daughter to [REDACTED] in [REDACTED] with a fever of 104 degrees. We waited for approximately 2-3 hours before they even looked at her, then waited another 2-3 hours before we were brought to a room. When we got to the room we saw a nurse for maybe a total of 10 mins and a doctor for a total of 2 mins. The only treatment my daughter received was a teaspoon of [REDACTED]. We were at the hospital for 8 hours saw a doctor or nurse for 15 mins and only treatment we received was a teaspoon of [REDACTED] and our bill was over \$2200.00.
