Price Gouging Experience:

First of all I would like to say that I am fortunate enough to have excellent health coverage thru [REDACTED] & other coverage. In [REDACTED] 2013 I went in to [REDACTED] center for a heart ablation(spelling?)a procedure to regulate an irregular heart rhythm. In at [REDACTED] out the next morning at approx. [REDACTED] Received bill for this overnight stay for \$106,000 [REDACTED] I went in for the same procedure(first on only lasted about a week)& spent approximately the same time....bill for this one \$110,000. None of this included the Doctors charges. I never received an itemized bill and fortunately never had to pay any out of pocket money due to the Insurance coverage. the charges seemed outrageous to me.
