Price Gouging Experience:

I went for a sleep study at [REDACTED] [REDACTED]. As an associate we are told to go to [REDACTED] [REDACTED]. I had a sleep study done. I was expecting 700 or so total since that is what [REDACTED] pays. My bill was \$2300 plus \$175 for the read from a pulmonologist I never saw. The group I almost went to charge \$600 for self pay. I would be better off going to them and paying cash than using my insurance at [REDACTED] [REDACTED] and pay my deductible plus co insurance. I was not expecting a bill that high and they sending me to collections even tho I am paying \$20month.
