Price Gouging Experience:

I had a [REDACTED] and went to the hospital [REDACTED] 2013. I was in the hospital a total of 45 minutes and the [REDACTED] was washed with soap and water and bandaged with a regualr bandaid brand bandage. No Xray's or any other services were provided other than a [REDACTED]. The total bill was \$2500. The [REDACTED] alone was \$500 and they charged \$50 for a single pill of an antibiotic in which I was prescribed the same dosage and filled at publix for free. This was at [REDACTED]. Please feel free to email or call me for more information. I am happy to share.
