From: Thur 10/22/2015 8:23:12 PM Sent: Importance: Normal **Subject:** Hospital Price Gouging and Billing Problems (AHCAPHI) MAIL RECEIVED: Thur 10/22/2015 8:23:17 PM **Requestor Information** Name: Email: Concern/Question Subject Hospital Price Gouging and Billing **Problems Ouestion or Concern:** Health Bills—Price gouging and billing problems On 2014, went to because her blood sugar was over 300. They She was sent a bill for kept her for \$78,778.66. Since she had lost her job at and her husband only makes and they didn't have enough money to pay the bill. They came to me because I was volunteering at their church helping people with personal business. The lawyer who I work with called and we were able to get the bill reduced to \$27572. But its was sent to a This is still too expensive for them to pay. has another bill from \$2561 from the same hospital visit. I have since helped her get won't have problems like from now on, this. But they still need help with this \$27572 bill. Another big bill: Around the same time I first saw the bill mentioned above, husband, showed me another bill he had from a for when HE visited the hospital. The bill was from \$1367 for 13 and \$996 14. (Total: \$2363.00) At the time he was for treated, had primary insurance from from his job at a
