**Subject:** Preferred Medical Plan's Response to the July 17, 2015 request for hospital contracting information.

Preferred Medical Plan is in receipt of Secretary Dudek's letter of July 17, 2015 requesting certification of our hospital contract rates effective August 1, 2015.

This email will confirm that as of August 1, 2015, Preferred Medical Plan, Inc. has transferred its Medicaid membership to another Medicaid Managed Care Plan and therefore Preferred Medical Plan does not operate as a Medicaid Managed Care Plan effective as of that date.
