The Honorable Elizabeth Dudek
Secretary
Agency for Health Care Administration
2727 Mahan Drive, Mail Stop #1
Tallahassee, Florida, 32308

Dear Secretary Dudek:

This letter is in response to your letter dated July 17, 2015 requesting Prestige Health Choice (Prestige) to certify that our hospital contracts are compliant with the provisions of s.409.975(6), F.S.

As of the date of this letter, to the best of our knowledge, we can certify that Prestige is in compliance with the provisions of s.409.975(6), F.S., in that none of the Prestige hospital provider agreements exceed 120% of the rate the Agency would have paid on the first day of the contract between the provider and the plan, unless specifically approved by the Agency.

We would, however, advise you, a few of our hospital provider agreements, which have a face rate that does not exceed 120%, also include stop loss or carve out provisions, which may, upon retrospective review by our actuaries, exceed the 120% threshold. We would be pleased to discuss this issue with the Agency.

We look forward to working with the Agency on this extremely important matter.

Respectfully yours,

Kevin Kearns
CEO
