Dear Ms. Dudek,

In response to your letter dated July 17, 2015, please accept this written correspondence as certification that All Children's Hospital has no contract with a Managed Medical Assistance (MMA) HMO defining reimbursement for a Medicaid product valued at greater than 120% of the State defined Medicaid rate. S.409.975(6) F.S. clearly allows the managed care plan and hospital to contract freely to reach a mutually acceptable rates, methods and terms of payment. Every contract entered into between All Children's Hospital and any Medicaid payer has been negotiated and executed in compliance with this statute and with the intent of managing patient care in the most cost effective manner available.

All Children's Hospital is proud to be a statewide essential provider as defined by Florida Statue, as well as a high Medicaid / high cost outlier provider. The access to high quality, appropriate healthcare for our most vulnerable citizens is imperative to our mission.

Sincerely,

Nancy Stahl
VP Finance and Chief Financial Officer
