To whom it may concern:

Hospital certifies it is not a party to any contractual arrangements with MMS Plans that contain Medicaid fee schedules that are at or above 120% of the Medicaid fee schedule. Out of an abundance of caution, Hospital does believe that some of its legacy MMA contracts contain terms that are not tied to Medicaid Allowable rates that may result in reimbursement in individual cases at rates higher than 120% of the Medicaid fee schedule. Examples of these terms include provisions governing the reimbursement of implants, high cost drugs, and high tech radiology. Our Hospital is currently engaged in renegotiating these legacy MMA contracts and expects to have them completed by no later than the fourth quarter, 2015.

Sincerely,

Ken Wicker, CEO
