Re: Statewide Medicaid Managed Care Rates

Dear Ms. Dudek:

We received your letter dated July 17, 2015 addressed to Mr. Jeffrey Feasel, President and Chief Executive Officer of Halifax Health Medical Center (Halifax). In your letter you highlighted certain matters related to the Statewide Medicaid Managed Care program and the concerns of the Agency that hospitals may have Medicaid HMO contractual rates that “have ballooned to unreasonable proportions and higher than what is allowed by state law.” Further, you requested that “all hospitals receiving payments and health plans reimbursing hospital providers to certify none of your contractual arrangements are at or above 120% of the Medicaid fee schedule, meeting requirements by August 1, 2015.”

In response to your request, we certify that Halifax has no Medicaid HMO contractual arrangements where the payment rates are at or above 120%.

I trust that our certification above is satisfactorily responsive to your request. Should you or others have any questions or concerns, please contact me at (386) 425-4563, or via email at [kent.bailey@halifax.org](mailto:kent.bailey@halifax.org).

Sincerely,

Kent Bailey  
Director of Finance
