Response to July 17, 2015 Request

Dear Secretary Dudek:

Lakeland Regional Medical Center (LRMC) is in receipt of your request dated July 17, 2015 asking for certification that none of the hospital's Medicaid managed care contractual arrangements are at or above 120% of the Medicaid Fee Schedule. Provisions of Florida Statute 409.975 (6) require hospital contracts valued at more than 120% of Medicaid to be approved by the Agency.

We certify that none of the Medicaid managed care contracts for Lakeland Regional Medical Center are at or above 120% of the Medicaid fee schedule. Therefore, the contracts meet the statutory requirement. We look forward to working with you in the future to address the healthcare needs of the community in an effective and affordable manner.

Sincerely,

Evan C. Jones
EVP/CFO
