Honorable Elizabeth Dudek
Secretary
Agency for Health Care Administration
2727 Mahan Drive
Tallahassee, FL 32308

Dear Secretary Dudek,

Thank you for your letter of July 17, 2015 requesting information on Mayo Clinic's Medicaid Managed Care contracts.

Mayo Clinic in Florida does not have any contracts with any of the Florida Medicaid Managed Care plans that reimburse at rates greater than 120% of Medicaid. Mayo Clinic in Florida has an agreement with a specialty provider network that allows access to some Florida Medicaid managed care plans; for one distinct service that agreement provides for payment above 120% of Medicaid. Since the implementation of the Statewide Medicaid Managed Care Program, no Medicaid patients have received services at Mayo Clinic in Florida under the terms of that specialty provider network agreement.

Thank you for the opportunity to respond.

Sincerely,
