Agency for Healthcare Administration
2727 Mahan Drive
Tallahassee, FL 32308

Attention: Florida Hospital Commission

Dear Sir or Madam:

Memorial Healthcare System is in receipt of the notice letter from the Agency for Healthcare Administration (hereinafter referred as "the Agency") dated July 17, 2015, titled "Request for Certification of Managed Care Contractual Arrangements."

In this letter the Agency is requesting all hospitals receiving payments and health plans reimbursing hospital providers to certify none of the contractual arrangements are at or above 120% of the Medicaid fee schedule.

In response to the Agency's inquiry and in compliance with s. 409.975, F.S, Memorial Healthcare System is certifying none of its contractual arrangements with managed care plans are in violation of the statute. This certification is based on claims incurred and paid between July 1, 2014 and June 30, 2015. However, Memorial Healthcare System has contracts with managed care plans which are above 120% of the Medicaid fee schedule, of which only two are not under re-negotiation.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kimarie Stratos', is written over a light blue circular stamp.

Kimarie Stratos
Senior Vice President General Counsel
