RE: Certification of Managed Care Contractual Arrangements

Dear Mr. Senior:

Pursuant to the AHCA letter dated July 17, 2015 regarding provision of s. 409.975 (6), F.S., whereby hospital contracts with Medicaid payors shall be added at no more than 120% of Medicaid, or otherwise be approved by the Agency, please accept our certification of managed care contractual arrangements.

This letter from Health First, Inc. is on behalf of Holmes Regional Medical Center, Cape Canaveral Hospital, Palm Bay Hospital and Viera Hospital. The hospitals state that none of our hospitals have any contractual arrangements with Medicaid payors that are at or above 120% of Medicaid rates.

Should the Agency have any questions or concerns regarding this letter or our Statewide Medicaid Managed Care arrangements, please feel free to contact me at 321-434-5484 or at jeff.sterling@health-first.org.

Sincerely,
