Dear Secretary Dudek:

On behalf of Tenet's nine Florida hospitals, I am responding to your letter regarding payments received under contracts with Florida Managed Medicaid Plans. The hospitals are listed below. Our hospitals provide care to patients covered under Managed Medicaid Plans through regional and national agreements, and as the Regional Chief Financial Officer, I am in a better position to respond to the questions than the individual hospitals.

While the language of our Managed Medicaid agreements and their payment methodologies vary, the aggregate payments received by our hospitals under the Plans that contract with the Medicaid Managed Care program are well below the 120% threshold in Section 409.975(6), Florida Statutes. Thank you and the Commission for your efforts to improve the quality of healthcare for those residents receiving their care through the Florida Managed Medicaid Plans and in managing the costs to the State for such care.

Sincerely,

A handwritten signature in black ink that reads "K. Elyanow".

Kim Elyanow
Chief Financial Officer, Florida Region
