To Whom It May Concern:

Physicians Regional Medical Center-Collier Boulevard has received your request for certification with Section 409.975, Florida Statutes. Determining whether and in what circumstances a MMA agreement might result in reimbursement greater than 120% for individual procedures, especially for agreements entered into prior to the State's implementation of its Medicaid Managed Medical Assistance program, is time consuming. While Physicians Regional Medical Center-Collier Boulevard does not concede that Section 409.975 applies to agreements entered into prior to the State's implementation of the program, Physicians Regional Medical Center-Collier Boulevard is nevertheless reviewing those agreements in addition to agreements entered into after implementation of the program. Physicians Regional Medical Center-Collier Boulevard will provide a response to AHCA's request once our hospital completes its review.
