To Whom It May Concern

Select Specialty Hospital-Daytona Beach is in receipt of your letter requesting certification that none of our contracts with Medicaid Managed Care plans is above the 120% threshold.

Select Specialty Hospital is a new hospital having just received our Medicare certification at the end of April. As of this point we do not have a Medicaid Provider number nor are we contracted, as of yet, with any Medicaid Managed Care program.

If and when we would contract we provide assurance that it will not be above the 105% threshold.

Sincerely,
Adriane Lutes
