Dear Ms. Dudek:

In response to the Agency's request for certification that none of our Managed Medicaid contractual arrangements are at or above 120% of the Medicaid fee schedule, I am writing to inform you that we have reviewed all of our Managed Medicaid contracts and have confirmed that we are compliant with this statutory requirement. Specifically, I am certifying that none of our Managed Medicaid contracts are at or above 120% of the posted Medicaid rates.

Regards,
