Rebecca,

This issue came up yesterday and I reviewed the Managed Medicaid agreements and none of them are above 120% of Medicaid rates.

Are you responding to AHCA directly?

Thank you,  
Kristen

Good morning,

The attached correspondence requires a review of the hospital's managed care contracts to verify that none of our contractual arrangements are set at or above 120% of the Medicaid fee schedule. This request has a tight deadline of August 1, 2015. I will keep track of the deadline and send a reminder once we are closer to that date.

Thanks,  
Rebecca
