CMS plans to update HCAHPS Star Ratings quarterly. HCAHPS Star Ratings are based on the same data that are used to create the HCAHPS measures publicly reported on the Hospital Compare Web site. The first public reporting of the HCAHPS Star Ratings in April 2015 will be based on patients discharged between July 1, 2013 and June 30, 2014. HCAHPS Star Ratings, including the Star Ratings level thresholds, will be recalculated for each public reporting.

Volunteer hours were not recorded prior to 2011

New systems implementation in 2010 mean that the executive compensation data is not easily retrievable before that date
