RE: Commission on Healthcare and Hospital Funding Data Request May 13, 2015

Dear Governor Scott,

We are in receipt of the request to provide data regarding Florida taxpayer funded healthcare.

Ameritas Life Insurance Corp. ("Ameritas") is a stand-alone dental, vision and hearing insurer. Although Ameritas provides individual and group coverage to the employees of public entities, Ameritas does not receive any Florida taxpayer funds. Further, Ameritas does not insure any public programs. Accordingly, it does not appear the data request applies to Ameritas and any data from Ameritas could potentially flaw the information the Commission is collecting.

Please let us know if we can be of further assistance.

Cordially,

Kate McCown
2nd VP, Group Compliance
